THE ESTATE

The RAPET Père & Fils estate is a very old family business located in the village of Pernand-Vergelesses, between Beaune and Nuits-Saint-Georges, on the boundary between Côte de Beaune and Côte de Nuits. Representing the 8th generation of winemakers in Burgundy, Vincent Rapet now manages the estate with his wife Sylvette. Before him, his father Roland and his grandfather Robert worked on the estate, which includes 21 hectares of vineyards located in the municipalities of Pernand-Vergelesses, Savigny-les-Beaune, Aloxe Corton and Beaune and uses sustainable agricultural methods.
