Mâcon Villages Uchizy Clos des Ravières

Coming from a family of winemakers of several generations, Raphaël SALLET began working with his father in 1983. While his father delivered all of the estate's production to the local cooperative, Raphaël, wanted to produce his own wine. He therefore created his own estate in 1986, which now has 29 hectares of vineyards spread over two appellations: Mâcon Uchizy white and Mâcon Chardonnay.
