The TROUILLET estate, situated in the village of Solutré-Pouilly, in the south of Burgundy, was founded in the 1900's. It is now managed by Marie-Agnès Trouillet and her son William, a young and talented winemaker, who belongs to the 5th generation of winegrowers. Using sustainable agricultural methods on a surface area of 19.5 hectares, the estate produces almost all the Mâconnais appellations.
