Located in the AOC Gigondas, Vacqueyras et Cairanne and created in 2008, the Domaine de la TÊTE NOIRE is a challenge of Belgian friends having the desire to propose new cuvées highlighting the various terroirs of the Southern part of the Rhône Valley. Since 2011, all the vineyard of 22 hectares is conducted in organic growing to offer the wines as frank as possible. The atypical vintages of winemakers have seduced many oenological reviews through the vintages.
