Belonging to a family where one has grown wine from father to son for several generations, Philippe Billard manages the BILLARD-GONNET estate, located in Pommard, at the heart of the Côte de Beaune. The vineyard, mainly planted with Pinot Noir varieties, spreads over a dozen hectares, 8 of which are Premier Cru. The specialty of the estate is above all the Pommard Premier Cru as the property cultivates 8 of these varieties, which are among the most renowned.
